Senior Funds Specialist

Description

Inpay is recruiting a Senior Funds Specialist to join its Funds Management team located in central Copenhagen. This is a chance to become a central part of Inpay's value-chain by managing the company's liquidity and payments. Inpay is on an ambitious growth journey and in this role you will be expected to act as a true team player when dealing with both external and internal stakeholders.

Responsibilities

- Liquidity management
- Perform multi-currency payments across multiple providers
- Perform FX deals (buy/sell)
- Support of our Finance & Accounting team in terms of records and documentation (bank statements, invoicing, etc.)
- Conduct balances /reconciliation of bank accounts
- Manage projects and support business strategy
- Prepare decision making materials for senior leadership
- Support customers in a professional and efficient way

Qualifications

- 5 years of experience in a similar role ideally in Fintech/Payments space
- Experience in dealing with Anti-Money Laundering and compliance
- Excellent financial analytical skills
- Knowledge from the payment industry working for either retail banking, PSPs and/or EMLs is preferable
- Proficient in Microsoft Office, especially Excel and PowerPoint
- Excellent communication skills.
- You are organized, thorough, and have attention to detail.
- You have a proactive attitude to your tasks and can work independently.
- The ability to prioritize multiple tasks, deal effectively with challenging situations, adapt, and learn quickly.
- You are motivated to work in a company that provides cutting-edge financial solutions.
